

BE MY PHRIEND · CREATOR COLLAB KIT

Be the creator people book.

Post one video with your Phriend profile on screen, and give one of your followers 2 hours with you.

phriend.app/creators

For TikTok and Facebook Reels creators in the Philippines

THE IDEA

One video. One week. One follower wins 2 hours with you.

Join Phriend as a verified member people can book by the hour. Post one video with your Phriend profile card on screen. For seven days your followers comment for a chance to hang out with you. On day 8 you pick the best comment, and the winner gets a 2-hour booking with you on Phriend, free for them.

What you get

- **Paid for the 2 hours.** Phriend pays your listed hourly rate for the winner's booking.
- **Featured by Phriend** on our Facebook and Instagram, with your profile link.
- **A verified profile that keeps booking.** Followers who didn't win can book you, and you keep 100% of your rate. Phriend takes no cut.
- **Everything ready to use:** the overlay tool, captions and hashtags in this kit, plus help with editing your video if you need it.

What we ask

- **1 video** on TikTok or Facebook Reels, 15 to 60 seconds, with your Phriend profile overlay.
- **1 winner announcement** on day 8, as a post, story or comment reply.
- **1 recap** after the meetup, only if the winner says yes to being shown.
- **Keep the video up** for at least 30 days, with your profile link in your bio.

Who can join

- 18 or older, with a valid government ID
- Based in the Philippines
- A public TikTok or Facebook page with at least **1,000 followers**
- Content that fits Phriend's community guidelines: friendly, legit, no dating or adult angle
- Offers at least one activity a winner can do in a public place

MECHANICS FOR YOUR FOLLOWERS

How followers join

1. Follow you and Phriend (@phriendapp)
2. Like the video
3. Comment their answer to the question below

THE COMMENT PROMPT

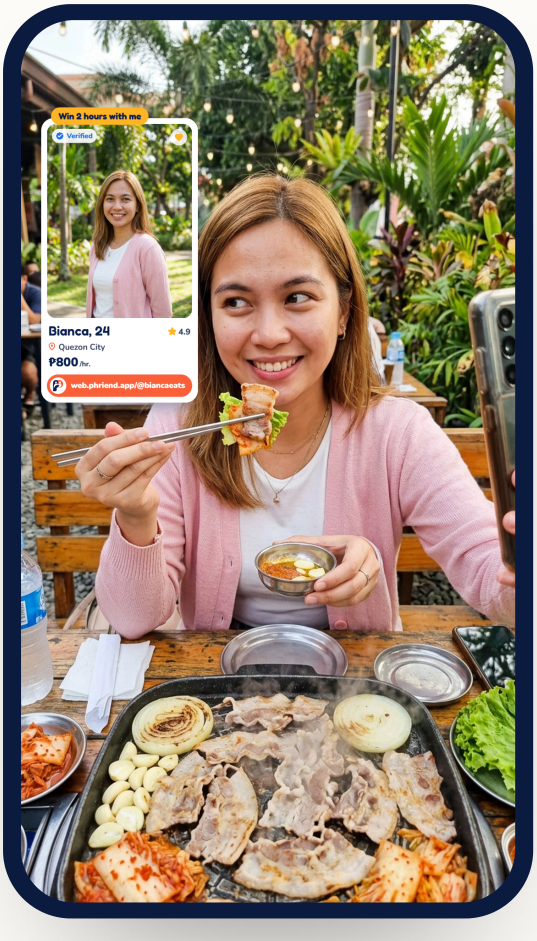

"Where would you take me for 2 hours, and why?"

Taglish: "Kung may 2 oras kasama ako, saan tayo, and why?"

How the winner is picked	You choose the comment you like best, based on creativity, how well it fits your activities, and whether the plan is safe and in public. It is **not a raffle**. Followers may comment more than once, but each person can win only once.
The prize	2 hours with you as their Phriend, booked on Phriend, with your rate paid by Phriend. **Not included:** food, drinks, tickets and transport, which you agree on in the Phriend chat. The prize can't be exchanged for cash or moved to someone else.
Who can win	Followers who are 18 or older, in the Philippines, and able to meet you in your city. They must verify their ID on Phriend within 3 days of the announcement. Your family and staff, and Phriend's team, can't win. **Want to limit it, e.g. women 18+ only?** You can. Match it to your Phriend "Who can book you" setting and say it in your caption before comments open. Don't open it to everyone and then pick by gender afterwards.
Entry period	From the moment you post until day 7 at 11:59 PM (Philippine time). Comments after that don't count.
Must be in your post	The three join steps, the close date, "18+ and Philippines only" (plus any limit, like "women only"), "Food and fare not included", and the platform line: **"This promo is not sponsored, endorsed or administered by, or associated with TikTok or Meta."**
Not allowed	Requiring people to **share the video or tag friends** to join (this breaks Meta's promotion rules). You can invite them to share, but it can't count as entry. Paying for or buying entries.
Disclosure	Turn on **Branded content** (TikTok: More options, Content disclosure) or the **Paid partnership** label (Facebook). Add #ad or #PhriendPartner to your caption.

YOUR VIDEO

Put your Phriend profile on screen

Example only. Bianca is an AI-generated sample, not a real member.

The overlay is your Phriend card: photo, name, age, rating, city, rate and link, plus a **"Win 2 hours with me"** tag. Keep it on screen for the whole video. At the very least, show it for the first 3 seconds and the last 5.

Where to put it: top left, away from TikTok's buttons on the right and the caption at the bottom. Don't cover your face.

Shot list, 30 to 45 seconds

0 to 3s	**Hook, to camera.** "One of you gets to hang out with me for 2 hours." / "Nag-register ako sa Phriend, and one of you wins 2 hours with me."
3 to 20s	**You doing your thing.** The food trip, cafe, hike or tour you offer on your profile.
20 to 35s	**How to join.** Follow, like, comment "where would you take me for 2 hours". Show your Phriend profile on your phone.
Last 5s	**Close date and link.** "Comments close Sept 27. Link in my bio."

Keep it friendly: no "date me" or flirting angle, no drinking-focused plans, no private places. Don't show a winner's face or name without their OK.

COPY AND PASTE

Sample captions

Swap in your username, activity, city and dates. TikTok links in captions aren't clickable, so put your Phriend link in your bio and your pinned comment. Facebook links in captions work. Limiting who can win? Write it in the 18+ line, e.g. "18+ women, Philippines only."
